

TERMS OF SERVICE

User: Person/Entity receiving the services.

Provider: OK! Get IT!

Web Page: Titled page contained within the site. The size of this page is determined by content. The page may require scrolling, but this is to be minimal as to be effective for the reader and the presentation of the material. Pages that are primarily photos will be allowed more scrolling than on text pages.

Payment: Payment is due in full prior to any work being started.

Ownership

The User owns: Web address (<http://www.example.com>) and Content (text and photographs).

The Provider owns: The design and manner in which the content is presented. This is copyrighted by the Provider.

Services Provided: A basic package includes web address, first year hosting, and three web pages, of which one is the "index" page and six minor changes during the year.
